

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

On the motion of James M. Tidmarsh, Esq., J.P., seconded by William Banks, Esq., the following Resolution was passed unanimously, and signed by the Foreman :—

“ City Grand Jury Room,

“ Spring Assizes, 1867.

“ We, the Grand Jury of this ancient and loyal City, at Spring Assizes assembled, cannot separate without placing on the records of our proceedings our utter abhorrence of the insane attempt now being made by foreign emissaries to revolutionise and disturb the peace and order of this our native land.

“ That it is a source of deep consolation to us, to find that the attempts made from time to time to pollute and corrupt the minds of our humbler fellow citizens, and drag them into this insurrectionary movement, have proved futile and abortive.

“ That when we contemplate what is going on almost around us, and see the fatuity with which the young, the ignorant, and the innocent permit themselves to be dragged by designing men into this shameful and cowardly combination : when we reflect on the ruin they bring on themselves, and the disgrace and dis-

honour they bring on their country, we feel that the time is come for every man and every public body to speak out, and that we would not be discharging our duties as loyal and faithful subjects of the Queen, if we did not, at this important crisis, declare our unalterable attachment to her Majesty's throne and person, our firm resolve to uphold the laws and constituted authorities, and our firm determination to resist to the last any attempt, no matter from quarter it may be made, to disturb the peace and tranquillity which is so characteristic of our City, and which has been alluded to this day in such congratulatory and eloquent terms by the learned Judge who presided in our Court.

“ For Self and Fellows,

“ JOHN POTTER, J.P., Foreman.”

ORDERS AND RESOLUTIONS.

In reference to the communication received from the Manager of St. Kevin's Reformatory School, requesting an allowance of 2s. 6d. per week in aid of each juvenile offender sent there from this City, we direct and order that same be allowed.

The following resolution was passed and sent to the County Grand Jury :—

City Grand Jury Room,

Summer Assizes, 1869.

Gentlemen,

The Taxation upon this City on account of the support and maintenance of Prisoners in the Gaol pressing with unexpected severity in consequence of the great and unforeseen decrease in the number of both City and County Prisoners, which, owing to the standing amount which has to be annually paid for Salaries, has caused the expense of the City Prisoners, for the past year, to amount to £59 4s. 2d. per head.

At the same time that such has been the result against the City, it has been on the contrary unexpectedly favourable to the County, in the way of relieving same of so much of the salaries—the City having for the year ending this Assizes, contributed on account thereof £281 12s. 0d. and having for the five years preceding contributed an average sum of £242 per annum.

This Grand Jury therefore trusts the County Grand Jury will take the matter into consideration, and order the remission of the £50 charged against the City for rent or use of the Prison.

For Self and Fellows,

J. W. SULLIVAN, Foreman.

To the County Grand Jury.

Resolved.—That the Secretary be directed to communicate with the Military Authorities, and with the Inspectors-General of Prisons in reference to the Military Prisoners in custody in the Gaol of this County and City, and represent how far the allowance of 1s. per day, made on account of their maintenance, &c., has fallen short of the average expense of £59 4s. 2d., charged against this City for the past year.

Mr. Burtchaell accounted for the £10 presented at last Assizes, for repairing Poulgour bridge, and for the balance, 12s. 6d., on account of the Presentment for repairing the footpath from the Castle to the municipal bounds at Archer-street.

We direct our City Surveyor to have executed, pursuant to the provisions of the 20th and 21st Victoria, chapter 15, the works uncontracted for at the adjourned Presentment Sessions, or at this Assizes, for which we have passed Presentments at this Assizes, viz., Nos. 43 and 44, pursuant to such Act, and under which we direct him to account for same at next Assizes; and we also direct our Treasurer to pay such Presentments in advance, after this Assizes, to Contractor or Contractors, upon Surveyor's Certificate, pursuant to the 2nd section of said Act.

Owing to the death of Captain Humfrey (one of the Treasurer's sureties), Ordered—That he be requested to renew his Security.

We present and order that the sum of £21 11s 11d., Dog Tax Money for the year 1868, be placed to the credit of the Levy after this Assizes.

County of the City } Notice is hereby given, that
of Kilkenny. } the Grand Jury of said City,

Dated this 12th day of August, 1869.

P. J. DILLON,

Secretary to the Grand Jury.

The lodging and posting of Notices, &c., required as aforesaid, will be examined into by the Magistrates at Sessions, on oath.

Persons seeking Presentments in the way of salary or for any other purpose whatever, must give notice thereof to the Secretary in a manner specified for Road Presentment Notices, six clear days before the first day of the Assizes—6 and 7 William IV., chap. 116, sec. 166.

IN THE MATTER OF THE RENEWAL GAOL AGREEMENT.

The following Committee were appointed to meet on Monday, at 10 o'Clock, in reference to the Gaol Agreement, viz., the Foreman, and Messrs. Thomas Power, Daniel Cullen, John Potter, and James G. Robertson.

The Committee having met and considered the matter, on their recommendation the following resolution as to terms was adopted, and sent to the County Grand Jury, viz. ;—

Resolved and Ordered.—That we agree to renew, for another three years from this Assizes, the Gaol Agreement, on the same terms as for the last three years, excepting that the rent be reduced to a nominal sum ; and that, in lieu of contributing, as heretofore, on account of Officers' Salaries or Staff Expenses, we contribute or pay on account thereof one-fifth of such expenses, the same as in Galway, (where no rent is paid,) the County here to pay the remaining four-fifths. At the same time the subjoined statement was sent to the Grand Jury, viz. : In determining as to the enclosed, the County Grand Jury will take into consideration the following :—

1st.—That out of the 13 Prisoners now in custody and being charged against the City, seven are military prisoners not committed or convicted by any of the City authorities, but by either General or District Courts-martial ; and properly speaking being prisoners belonging to the Military District of Kilkenny, which comprises the County as well as the City, and which class of prisoners we repudiate as being chargeable exclusively against the City,

2nd.—That in Galway, where a recent Prison Contract has been entered into, the County pays four-fifths of the Officers' Salaries or Staff Expenses, and the Town one-fifth, which we now agree to, and that no rent is paid there.

3rd.—That the valuation of this City being only about £17,000 ; each £100 levied upon the Cess-payers, increases the taxation by about Two Pence in the £ ; whereas the like amount levied upon the County would not increase it by a twentieth of the amount, and that consequently the late Gaol Agreement has pressed with undue severity upon the City ; while, at the same time, it has been of great advantage to the County—the City having contributed and relieved the County during the last six years of £1,640 19s., on account of the Officers' Salaries,—this being independent of the sum paid during the period for rent of the Prison, and of having paid its proportion of all other expenses.

4th.—That in the agreement as heretofore existing, this Grand Jury are of opinion that the City were not adequately represented on the Board of Superintendence, and consider that the City for some time back should have had a larger representation on the Board.

The County Grand Jury having declined to accede to the foregoing terms, but having proposed to reduce the rent to a nominal sum, and having declined to make any further concession ; after a full consideration of the matter, the following was adopted :—

We direct and order that the Gaol agreement be renewed for another three years, upon the terms agreed to by the County, viz. : the same as for the last three years, except that the rent be reduced to the nominal sum of One Shilling per annum.

In pursuance of such order, the following agreement was entered into with the County Grand Jury, viz, :—

KILKENNY SPRING ASSIZES, 1870.

Memorandum of agreement made and entered into at this Assizes, between the Grand Jury of the County of Kilkenny and the Grand Jury of the County of the City of Kilkenny, for the support and maintenance of the prisoners of the said City of Kilkenny, in the Gaol of the said County of Kilkenny.

It is hereby contracted and agreed, between the Grand Jury of the County of Kilkenny, and the Grand Jury of the County of the City of Kilkenny, pursuant to the 19th and 20th Victoria, chap. 68, and the resolutions and terms already agreed to

respectively by said Grand Juries, and the orders entered upon their County Books, that the Grand Jury of the said County of Kilkenny undertake to support and maintain in the Gaol of the said County of Kilkenny, the prisoners, as well Debtors as Criminals, who shall be committed thereto from the said County of the City of Kilkenny, upon the terms and on the conditions following, that is to say:—

First—That the said City Grand Jury do pay, in advance the sum of One Shilling per annum, payable half-yearly, to the said County Prison, for the use thereof.

Secondly—That the said City Grand Jury shall pay a joint average rateable amount, per head, for each of their prisoners, for their keep and expenses, such expenses to include all charges for the Staff, Insurance, and the necessary repairs of the Gaol, as hitherto charged against the County prisoners, but exclusive of conveyance of prisoners, and to be equally divided, per head, according to the number of days of occupation by both County and City prisoners.

Thirdly—That this agreement shall continue in force for the term of Three Years.

In witness whereof we have hereunto subscribed our names this Fourteenth day of March, 1870, being

the Foreman and Members of the aforesaid Grand Juries respectively.

ORDERS AND RESOLUTIONS.

In regard to the Military Prisoner, Henry Mullard, who appears to have been tried at Cork for an offence committed at Templemore : Resolved—That we consider he should not be deemed and charged for as a City prisoner ; and that we request the County Grand Jury to authorize the Board of Superintendence to credit the City with the amount charged on his account ; also with the amounts charged on account of any other like prisoners detained for offences committed outside of the City.

The County Grand Jury having declined to comply with the foregoing request, the following Order was made :—

In regard to the Presentment of £250, passed at last Assizes to the County Board of Superintendence, we direct our Treasurer to pay only to the Board of Superintendence, after this assizes, the sum of £162 12s 5d. on account thereof, and to suspend payment of the remainder until it has been decided whether we are liable to pay for the military prisoner, Henry Mullard ; and that Mr. Watters do instruct Counsel to oppose at this assizes, or the next, any application to the Court which may be made for payment on account of said Mullard.

We direct and order that Mr. Watters do take Counsel's opinion as to whether we should accede or not to the terms of the Gaol agreement, now required by the county, and also as to the military prisoners.

Ordered—That the County Surveyor is authorized to instruct the Crown Solicitor to proceed against Michael Grace and Sureties, in case the contract, No. 51 in Schedule, for making a paved channel, shall not be completed by the 10th day of May next.

No. 60½—£5 5 0 to the Treasurer, to pay Charles A. Cameron, Esq., M.D., fee for analysis in the case of Elizabeth Breton.

ORDERS AND RESOLUTIONS.

The following were appointed as a Deputation to wait on the County Grand Jury, in reference to the application for John's-bridge Presentment, viz.:— Messrs. J. F. Smithwick, Foreman, James Sullivan, jun., Daniel Cullen and John Potter.

In reference to the application for taking down and re-building John's-bridge, the following Resolution was passed and ordered to be inserted on the Books:—

SPRING ASSIZES, 1871.

County of the City of } Resolved—That whereas it
 Kilkenny to Wit. } is enacted by the 26th sec.
 of the 30th and 31st Vic., chap. 50, commonly called
 “The Bridges (Ireland) Act,” that in case where a
 bridge or ferry is situate wholly within the limits of a
 County, or County of a City, it is expedient to
 enable the Grand Jury of any neighbouring County,
 or County of a City, to co-operate with the Grand
 Jury of any such first-mentioned County or County
 of a City, for any of the purposes of the acts
 therein recited, and of that act. And whereas
 application having been made and approved at Pre-
 sentment Sessions for the County of the City of
 Kilkenny, for taking down John's-bridge, situate in
 the City of Kilkenny, and erecting in its stead a new
 bridge, it is lawful for us to consent to co-operate with
 the Grand Jury of the County of Kilkenny (at
 Presentment Sessions, for which said County of

Kilkenny, a like application has been made and approved) for the purposes relating to the said bridge, as set forth in said application, and to signify such consent by a resolution as of record of our proceedings, we hereby consent to co-operate to the extent of Two Thousand Pounds with the Grand Jury of the County of Kilkenny, for the purposes stated in the application as aforesaid, and hereby signify such consent by this, our resolution, which we direct to be entered in the County of the City Book, as of record of our proceedings.

And the following Memorial was also adopted :—

To the Right Honourable the Earl Spencer, K.G., Lord Lieutenant-General and General Governor of Ireland.

The Memorial of the Grand Jury of the County of the City of Kilkenny, at Spring Assizes, 1871, assembled,

Sheweth—That the bridge over the river Nore, situate in the City of Kilkenny, generally known as John's-bridge is, and has been from time past unsuitable and inconvenient for the accommodation of the traffic over it, which traffic has lately considerably increased since Kilkenny has become the Termini of several lines of Railway, the opening of the new Fair Green, and the general advance of the trade of the surrounding district. The site of the present bridge is out of the direct line between the two leading streets, at each side of the river, thereby diverting the thoroughfare into a tortuous and longer course than is necessary, which, combined with the narrowness, sharp turns, and very steep inclines over the Bridge, renders intercourse to a great extent dangerous. The roadway over the Bridge is only $26\frac{1}{2}$ feet wide, and the inclines at either side vary from 1 in 10 and 1 in 11, to 1 in

15 and 1 in 17 on the approaches, whereas a properly level roadway could be had, a direct line between the streets at opposite sides of the river, and the approaches reduced to inclinations, not much exceeding, or nearly equal to mail coach level. It is therefore deemed expedient, for the reasons above stated, to build a new Bridge and make new approaches thereto, and we, the Grand Jury of the County of the City of Kilkenny, Do Pray that the powers authorized to be exercised by the act 4 and 5 William IV., chap. 61; and those of "The Bridges (Ireland) Act," 30 and 31 Vic., chap. 50, and the other Acts of Parliament relating thereto, may be applied for the purposes of prosecuting and completing the Building of a New Bridge, in the City of Kilkenny, instead of the old Bridge, the expense not to exceed the sum of Four Thousand Pounds Sterling, between County and City of Kilkenny.

For Self and Fellows,

JOHN F. SMITHWICK, Foreman.

We present and determine, under and pursuant to the 30th and 31st Vic., chap. 50, sec. 15, that the taking down and re-building of John's-bridge, and of the approaches thereto, and the execution of all works in relation to the same may be contracted for, carried on, conducted and managed by and under the control and direction of a joint Committee of the Grand Juries of this County and City, and we appoint the following to act on behalf of the City, viz :—James Sullivan, jun., Esq. ; J. G. Robertson, Esq; J. P. Hyland, Esq.; and M. J. Walsh, Esq.

We re-present the sum of £49 16s. 11½ to the credit of the levy at this Assizes, being the amount of the Cess presented, as follows, on Scott's Factory, viz., at

Spring, 1867,	£7 16 0

and subsequently re-presented thereon, and as received and lodged by the Collector—6 and 7 Wm. IV., chap. 116, sec. 145.

We present and order that out of the balance in favour of this City, in excess of liability, as appearing by the Treasurer's account, the sum of £150 be now placed by the Treasurer to the credit of this City, in aid of the Presentments made at this Assizes.

In regard to the presentment for £300 passed at last Assizes, to the County Board of Superintendence, we direct our Treasurer to pay only to the Board of Superintendence, after this Assizes, the sum of

£205 2s. 7d. on account thereof, and to suspend payment of the remainder, until it has been decided whether we are liable to pay for the Military Prisoners, in dispute.

Resolved—That we again disclaim against payment on account of the Military Prisoners who were committed from outside of the City.

County of the City } Notice is hereby given, that
of Kilkenny. } the Grand Jury of said City,
at Spring Assizes, 1871, did appoint a Special Sessions, pursuant to the 6th and 7th William IV., chap. 116, secs. 5 and 6, to be held at the New Court-House, in said City, at the hour of One o'Clock, on Friday, the 2nd day of June, 1871, to receive and consider applications for making or repairing Roads, Bridges, or other Public Works, on which it is intended to ground Presentments at the next Assizes ; and also to receive accounting applications for the expenditure of Public money on such works since last Assizes.

For self and fellows

THOMAS POWER, Foreman.

The Treasurer was ordered to pay in advance to the County Surveyor the sum of £2 presented for repairing the Court-house.

The Grand Jury of the City of Kilkenny assembled at Summer Assizes, 1871, having heard that the Government are about to transfer the collection of the Dog Tax money from the Constabulary to the Excise, beg leave to express their dissatisfaction with such prospective arrangement, inasmuch as the Constabulary, with much energy and activity, compel people to register their dogs. They further deprecate the idea of appropriating the Dog Tax to any other than local purposes. A tax so purely local ought, in their opinion, be used, as heretofore in alleviation of local taxation.

County of the City } Notice is hereby given, that
of Kilkenny. } the Grand Jury of said City
at Summer Assizes, 1871, did appoint a Special Sessions, pursuant to the 6th and 7th William IV., chap. 116, secs. 5 and 6, to be held at the New Court-House in said City, at the hour of One o'Clock, on Friday, the 20th day of January, 1872, to receive and consider applications for making or repairing Roads, Bridges, or other Public Works, on which it is intended to ground Presentments at the next Assizes ; and also to receive accounting applications for the expenditure of Public money on such works since last Assizes.

Dated this 19th day of July, 1871.

P. J. DILLON,

Secretary to the Grand Jury.

Applications on which it is intended to ground Presentments, are to be lodged with the Secretary, on or before Monday, the 15th day of January, 1872, at his Office, Patrick-street, and Notices of such application should be posted on the places appointed by 6 and 7 William IV., c. 116, s. 11, and the places (if any) appointed by the Grand Jury, and a copy of every such Notice delivered to the County Surveyor and Clerk of Petty Sessions, ten days previous to the day appointed for holding such Sessions, and in the instance of new roads, a map of the proposed line must accompany the application, and notice be served on the occupiers fifteen days at least before the day of holding such Sessions.

The lodging and posting of Notices, &c., required as aforesaid, will be examined into by the Magistrates at Sessions, on oath.

Persons seeking Presentments in the way of salary, or for any other purpose whatever, must give notice thereof to the Secretary in a manner specified for Road Presentment Notices, six clear days before the first day of the Assizes—6 and 7 William IV., chap. 116, sec. 166.

The following places have been appointed in the respective Parishes, as the places on which Notices are to be posted, in addition to which Notices are to be posted, &c., as aforesaid, pursuant to the 6th and 7th William IV., chap. 116, sec. 11.
